InterviewSync Edge Cases
Interviewer Edge Cases
Two interviewers unavailable Simultaneously — no backup exists
I3 Siddharth: Starts 11 AM Cannot take 10 AM Backend slots
I10 Amit: Backup only 2-5 PM Cannot replace morning VP slots
I5 Karan: Ends 3:30 PM Cannot cover late Design rounds
Backup interviewer has lower seniority — flag to Aditi
I1 Rahul VP: Only till 2 PM Backup: Amit Saharan (2-5 PM)
System Edge Cases
Aditi edits schedule manually after agent generates it
Agent cannot find any valid replan — escalate to Aditi
Two disruptions reported simultaneously
Notification fails to send to interviewer
Room Edge Cases
Room B projector broken Move to Room C if free
Room C occupied when Room B needs to move — stagger
3 same-role candidates need same room simultaneously
Candidate Edge Cases
C5 Kavya: Back-to-back rounds No long gaps between her rounds
C8 Vikram: Hard stop 3:00 PM Must complete by 3 PM
Candidate Running Late e.g. Sneha 30 min late at 10:15 AM
Candidate No-Show Slot stays vacant — interviewers freed
C1 Priya: 30-min prayer break at 1 PM Scheduler must block 1:00-1:30 PM
C3 Sneha: Hard stop 3:30 PM All 3 rounds must end by 3:30 PM
Scheduling Edge Cases
All backup interviewers already scheduled in that slot
Kavya back-to-back conflicts with room availability
Sneha late + 3 rounds + hard stop Gap must compress to 10 min
Priya prayer block clashes with assigned Round 2 slot
